Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative in regards to the IDS. The Examiner indicated that in order to place the application in condition for allowance the claim language with regards to "performance parameters" would need to be further clarified in detail as well as submission of a terminal disclaimer for a possible double patenting with regards to application 09/310,610. Applicant's representative requested that an office action should be sent in order to respond to this request.
